

Product Obsolescence Notification (PON)

Issue Date: April 4, 2014

PON #: OBS04042014OC1

Dear Customer,

Avago Technologies announces the obsolescence of a list of 10Gb/s PIN and APD ROSAs due to discontinuation of a key piece part by our supplier. This obsolescence will apply to the following part numbers.

Current part number	Description	Recommended replacement part number
B-1640L0	10Gb/s PIN and APD ROSA	No replacement
B-1640L1	10Gb/s PIN and APD ROSA	No replacement
B-1640L2	10Gb/s PIN and APD ROSA	No replacement
B-1641L1	10Gb/s PIN and APD ROSA	No replacement
B-1641L2	10Gb/s PIN and APD ROSA	No replacement
B-1643L2	10Gb/s PIN and APD ROSA	No replacement
1640L0	10Gb/s PIN and APD ROSA	No replacement
1640L1	10Gb/s PIN and APD ROSA	No replacement
1641L2	10Gb/s PIN and APD ROSA	No replacement

Formal customer notification begins on April 4, 2014 and the key milestones are:

1. Final customer order date by September 16, 2014
2. Final ship date to customer by March 30, 2015

Orders are non-cancelable, non-returnable.

Please note that Avago Technologies reserves the right to limit last time buy quantities based on capacity and material availability.

There are no replacement part numbers for the 10Gb/s PIN and APD ROSAs.

If you have any questions about this obsolescence, please do not hesitate to contact your local Avago Technologies sales representative or authorized distributors.
