PRODUCT CHANGE NOTIFICATION

Subject: Transition from Broadcom Marketing Part Numbers to Cypress Marketing Part

Numbers

Change Type: Minor

Description of Change:

Cypress (CY) is pleased to announce the transition of the IoT products, formerly Broadcom (BRCM), from Broadcom marketing part number to Cypress marketing part number nomenclature. This change impacts the ordering part number, marking of the device, and marking format.

The new Cypress marketing part numbers will follow Cypress standard format and marking specifications. There are no changes made to the products' form, fit, or function. With the exception of mark format and marking changes, the new Cypress marketing part numbers are identical to the existing Broadcom marketing part numbers.

Benefit of Change:

The transition to the new Cypress marketing part numbers will bring consistency to the current IoT family of products and future Cypress IoT products in development.

The new Cypress marketing part numbers will be supported from all qualified fabrication, assembly and test locations, including newly qualified fabrication locations detailed in PCN#164801 (UMC Fab 12I) and PCN#164802 (SMIC Fab B2).

Affected Part Numbers: 153

Affected Parts: Please refer to the attached 'Affected Parts List' file which contains the list of existing Broadcom marketing part numbers and their corresponding Cypress marketing part numbers. Last Time Buy (LTB) and Last Time Ship (LTS) dates for the existing Broadcom marketing part numbers are also provided in the attached 'Affected Parts List' file.

Qualification Status:

The new Cypress part number marking and format have been verified to be consistent and meet the Cypress marking format specifications. All qualification and reliability documentation related to the current Broadcom marketing part numbers is unchanged, as there is no change to the form, fit, or function of the new Cypress marketing part numbers.

Sample Status:

Please contact your Cypress Sales Representative to request samples of the new Cypress marketing part numbers.

Approximate Implementation Date:

The new Cypress marketing part numbers will be available for sample requests as of the date of this notification. The Broadcom marketing part numbers listed in attached file will be supported according to the Last Time Buy (LTB) and Last Time Ship (LTS) dates provided.

Anticipated Impact:

The new Cypress marketing part numbers are completely compatible with the corresponding Broadcom marketing part numbers from a functional, parametric, and quality performance perspective. Customers will need to update their ordering part number to the new Cypress marketing part number as shown in the attached spreadsheet by the Last Time Buy (LTB) date specified. New orders are encouraged to use the new Cypress marketing part number.

Cypress also recommends that customers take this opportunity to review these changes against current application notes, system design considerations and customer environment conditions to assess impact (if any) to their application.

Method of Identification:

The new Cypress marketing part numbers will include a prefix of "CYW", replacing the current prefix of "BCM". The example below shows the current Broadcom marketing part number marking and the new Cypress marketing part number marking format.

Part Number Change Example:

Existing Marketing Part Number	New Marketing Part Number
(Ordering Part Number)	(Ordering Part Number)
BCM43143KMLG	CYW43143KMLG

Marking Change Example:

0: Minor Die Revision Line 5: TWN □ C

Line 3: XXXXXX Z W TWN: Country of Origin

XXXXXX: Assembly Lot No.

□: Pb Free Indicator

Z: Geographic Code C: Cu Wire

W: Optional Character

Please refer to www.cypress.com/cypress-marking-format for information and details of the Cypress marking format.

Please refer to www.cypress.com/products/wireless-connectivity for datasheets and a complete listing of the IOT products.

Response Required:

No response is required. Customers will need to convert to the new Cypress marketing part numbers prior to the Last Time Buy (LTB) date. Last Time Buy (LTB) and Last Time Ship (LTS) dates indicated in the attached 'Affected Parts List' file.

For additional information regarding this change, contact your local sales representative or contact the PCN Administrator at pcn_adm@cypress.com.

Sincerely,

Cypress PCN Administration
