

Honeywell Announces the Obsolescence of Certain GTN Speed Sensors

September 14, 2018

Due to unanticipated disruption in the supply chain, effective immediately, Honeywell Sensing and Internet of Things (SIoT) will no longer supply the part numbers listed below. Additionally, Honeywell will not be able to provide a last time buy option for these parts.

Honeywell does not offer a direct replacement for the retired products but does have variety of [speed sensors](#) in its portfolio, which can be used in a wide range of applications. Honeywell values its customers and realizes that this product obsolescence may require new platform validation. We want to work with you to make this a smooth transition to your new platform.
