

## Product Obsolescence Notification

Issue Date: 08 JUN 2015

OBS060815IPD1

Dear Customer,

Avago Technologies announces the obsolescence of the High Current Dual Line Driver products, ACPL-0820. This obsolescence will take effect from June 08, 2015.

The ACPL-0820 obsolescence will affect all related device options. There are no replacements to these products.

| Part Affected  |
|----------------|
| ACPL-0820-000E |
| ACPL-0820-500E |

The key milestones are:

1. Formal customer obsolescence notice – June 08, 2015
2. Final customer order date – July 08, 2015
3. Final ship date to customer – Jan 08, 2016

Please note that Avago Technologies reserves the rights to limit any last-time buy quantities based on capacity and material availability. Orders will be accepted on a non-returnable basis only.

If you have any questions about this obsolescence, please do not hesitate to contact your Avago Technologies sales representative or authorized distributors.
