FDC - Field Device Connectors	ABN	Product Change Notification	Notify Distributors and Field	11/4/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The original material of the sealing plug is not available on the market. To prevent supply issues, an alternative material has been found and qualified. Due to slightly different properties of the material substitute, the degree of protection must be downgraded from IP65/IP67 to IP65. Further information on changing back to our standard material will be provided as a revision to this change notification.

Stock Status

Can existing stock still be used?	No
Is mixture of stock acceptable?	No

Transaction Dates

Date modification goes into effect from Germany:	9/26/2022
Expected first shipment (from Phoenix Contact) of the modified products(s):	9/26/2022

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
